

Electric Trimmers

Affordable & Profitable Finishing Solutions

These Wide Format Electric Trimmers are a perfect fit in Sign and Print Shops looking to improve their finishing solutions. Time-Saving features and functions make trimming faster and easier than ever.

Available with 59", 78", and 98" cutting sizes

HIGHLIGHTS

- **Self-Sharpening Blade** Bidirectional self-sharpening rotary blade easily cuts in both directions
- **Easy to Use** Touch anywhere along the long activation bar running the length of the unit to activate the cutting blade or use the included Foot Pedal for hands-free operation
- **Fast Efficient Trimming** Fast 6.6ft/sec blade speeds help reduce trimming time compared to using manual trimmers.

These economically priced electric trimmers are specifically designed for users to easily and professionally finish wide format graphics. They provide smooth, clean cuts on a wide variety of substrates. Fully featured with fast trimming speeds, a full length activation bar, foot pedal activation, lighted power switch, wastecatcher, built-in safety covers, durable steel floor stand and illuminated guide line all designed for quick and accurate trimming of signs, posters, and various laminated materials.

Optional Roll Holder Available
